

Lake Central Science Olympiad Presents...

The Lake Central Science Olympiad Division C Invitational Competition

When: January 20th, 2018

Where: Lake Central High School
(8400 Wicker Ave, St John, IN 46373)

The Lake Central Science Olympiad team will be hosting its first ever invitational competition on January 20th, 2018. All events will be run by the invitational staff. Test copies will be given out with results at the end of the event during awards. Concessions will be available all day in the cafeteria. We will be medaling up to 5th place in individual events and giving trophies up to 3rd place overall. Each school may bring up to 5 teams to the competition. Entrance fees for each team will be \$110. We hope to see you there!
